

# Micro Solutions Enterprises Celebrates Ten Years Of Excellence

**CHATSWORTH, CA** – Micro Solutions Enterprises (MSE) is proud to celebrate their tenth year anniversary.

Recalls Yoel Wazana, President and founder, "When I started filling cartridges in my apartment, I never thought that we would ever have 400 employees. I also never thought that the company would be spending millions of dollars in Research and Development and I certainly never thought we would be using laser cutters to open cartridges."

Avi Wazana, CEO added, "We are really proud of what we have done in the past ten years. It took plenty of long hours, discipline and sacrifice to get here but it was well worth it. We would like to thank our employees, customers and vendors for their continued support. As we look forward to the future, the company is prepared. We have invested heavily into our dedicated employees and patented technologies to ensure that our

products are synonymous with quality for years to come."

## About MSE

Micro Solutions Enterprises (MSE) manufactures and distributes a full line of compatible toner cartridges, MICR toner cartridges, inkjets, and thermal transfer ribbons. Production capacity at MSE is over 100,000 toner cartridges and 150,000 inkjets per month and MSE currently stocks 45,000 toners and 150,000 inkjets. MSE owns and operates facilities in California and Pennsylvania, USA as well as facilities in Mexico and Canada totaling more than 121,000 square feet.

The company offers full solutions for complete outsourcing, private labeling, private packaging, and blind drop-shipping services. The company also offers a suite of high-end marketing tools and extensive product and sales training.
